Housing Finance Agency

The Ohio Housing Finance Agency (OHFA) is a state agency dedicated to ensuring all Ohioans have a safe and affordable place to call home. OHFA uses federal and state resources to support down payment assistance and fixed-rate mortgages as well as finance the development of affordable housing for low- to moderate-income Ohioans. Two key federal resources are the Low-Income Housing Tax Credit, which facilitates private capital investment to build and preserve affordable rental housing, and tax-exempt private activity bonds or Housing Bonds, which help support both homeownership and rental housing programs. OHFA also uses three state funding sources, the Ohio Low-Income Housing Tax Credit, an allocation from the Ohio Housing Trust Fund, and funding from the Ohio Department of Commerce, Division of Unclaimed Funds, for the development of affordable rental housing. Through these programs and other activities, the Agency creates or sustains more than 27,000 jobs and contributes \$4.5 billion a year to the state's economy.
